Best Way Connection Group Ltd is committed to operating responsibly and with due regard for environmental impact. While the Company's activities are primarily service-based, we recognise the importance of reducing waste, using resources responsibly and supporting environmentally aware working practices.

Our practical commitments include minimising unnecessary printing and paper use, encouraging efficient use of energy and resources, supporting responsible travel and operational planning where practical, and promoting lawful waste handling on client sites where relevant.

Environmental considerations are taken into account where proportionate in administration, mobilisation, document control, worker briefing and supplier engagement.

We are committed to improving awareness and practical environmental responsibility in line with the scale and growth of the business.

Issued on behalf of Best Way Connection Group Ltd.
